ABOUT MATILDA

Matilda is a little girl with astonishing wit, intelligence and psychokinetic powers. She's unloved by her cruel parents but impresses her schoolteacher, the highly lovable Miss Honey. Over the course of her first term at school, Matilda and Miss Honey have a profound effect on each other's lives, as Miss Honey begins not only to recognize but also appreciate Matilda's extraordinary personality.

Matilda's school life isn't completely smooth sailing, however – the school's mean headmistress, Miss Trunchbull, hates children and just loves thinking up new punishments for those who don't abide by her rules. But Matilda has courage and cleverness in equal amounts, and could be the school pupils' saving grace!

ABOUT ZIEGFELD THEATER ARTS

The Ziegfeld Theater is about art, collaboration, and acceptance. Our driving motto is "Professional standard, community spirit," and it drives every aspect of our work. As an emerging performance venue and company, we are finding success catering to a broad audience. We work to enlist A-list local talent and produce professional quality entertainment, always keeping in mind that positive collaboration is essential. Joining these ideals is a guiding principle of improvisation: "Yes...And!" The "Yes" means that we accept theatrical, musical, and visual arts that are furthering the community's knowledge and cultural experience. The "And" describes our dedication to enhancing the idea and furthering its impact.
