ABOUT CINDERELLA: KIDS

The timeless enchantment of a magical fairy tale is reborn with the Rodgers & Hammerstein hallmarks of originality, charm and elegance. Originally presented on television in 1957 starring Julie Andrews, Rodgers & Hammerstein's Cinderella was the most widely viewed program in the history of the medium. Its recreation in 1965 starring Lesley Ann Warren was no less successful in transporting a new generation to the miraculous kingdom of dreams-come-true, and so was a second remake in 1997, which starred Brandy as Cinderella and Whitney Houston as her Fairy Godmother. As adapted for the stage, with great warmth and more than a touch of hilarity, this enthralling fairy tale still warms the hearts of children and adults alike.

ABOUT ZIEGFELD ARTS ACADEMY

The Ziegfeld Arts Academy is about art, collaboration, and acceptance. Our driving motto is "Professional standard, community spirit," and it drives every aspect of our work. We work to enlist A-list local teachers and produce a professional quality classroom environment, always keeping in mind that positivity is essential. Joining these ideals is a guiding principle of improvisation: "Yes...And!" The "Yes" means that we accept theatrical, musical, and visual arts that are furthering the community's knowledge and cultural experience. The "And" describes our dedication to enhancing the idea and furthering its impact.
